Millville

A Millville police officer shot and killed a city man Monday morning following a call the man made to 911 reporting he had a loaded gun and was at a city intersection, authorities said.

Edward C. Gandy Jr., 47, of Dock Street, called 911 at 10:47 a.m. and told a dispatcher he had a loaded gun and was at High and McNeal streets, the Cumberland County Prosecutor's Office said.

The office did not provide any details about what transpired when officers responded to Gandy's location before and after an officer shot him.

No gun was recovered at the scene, the office said.

The office also did not give any other details about the nature of Gandy's call, including whether he was threatening to harm anyone or himself.

Prosecutor Jennifer Webb-McRae said Monday afternoon she would not comment further on the incident.

A woman told The Daily Journal that she heard the gunshots and saw a man lying in the middle of the street.

In accordance with regular procedures, the prosecutor's office has initiated a deadly force investigation and the officer who shot Gandy has been placed on administrative leave, Webb-McRae said.

Anyone with information about the incident is asked to contact Cumberland County Prosecutor's Office Detective Nicholina Pennington at 956-362-0751.
