ROYAL OAK, Mich. (AP) — Authorities say a Detroit-area police officer has fatally shot a man who reportedly assaulted his parents and rushed at the officer afterward.

Royal Oak police say 20-year-old **Cody Reynolds** died in the early Monday shooting. No officers were injured.

Police say officers responded after a 911 caller reported she'd been stabbed by her son and the son struck his father in the head with a guitar. Police say they encountered Reynolds walking away from the scene and an officer ordered him to the ground, but he rushed at the officer.

Part of the encounter was recorded on police dashcam video . Reynolds' parents had what were described as minor injuries.

Police Chief Corrigan O'Donohue says the officer is on administrative leave as the Oakland County sheriff's office investigates.
