VINELAND, N.J. (AP) — Authorities have identified a man fatally shot by detectives in southern New Jersey.

The attorney general's office is investigating the shooting that occurred Thursday afternoon at a truck rental center in Vineland.

Authorities say detectives from the Cape May County prosecutor's office and Lower Township police were conducting a law enforcement operation at the time.

One of the detectives shot 19-year-old **Jacob Servais** of Millville, who was pronounced dead at a local hospital.

None of the detectives was injured.

The investigation is being conducted by the attorney general's shooting response team. Under state law, the matter will be sent to a grand jury for review unless the undisputed facts indicate the shooting was justified.
