SALT LAKE CITY (AP) — Salt Lake County prosecutors have decided against charging a Unified Police Department officer in an April 17 fatal shooting in which a man was killed while holding an ex-girlfriend hostage in a pickup truck.

The District Attorney's Office said Wednesday it believed any court proceedings would find that Officer Trevor McLelland's use of deadly force against 41-year-old **Lonnie Marcel Bowen** was justified.

The office's report says following a chase after police received a report of a man threatening to kill hostage and that investigators later determined that Bowen made that call

The report says police found a knife in Bowen's hand after he was shot and that a West Valley officer at the scene said he saw Bowen holding his arms around the woman's neck and pulling her toward him.
